

Compliance & Commitment to Global Standards

Atlantic Fenders & Support Services (AFSS) operates with an unwavering commitment to global standards of safety, quality, and environmental responsibility. Our certifications and operational frameworks position us as a reliable and compliant partner in marine and offshore support services.

❖ ISO-Certified Operations

We maintain an Integrated Management System certified to:

- ISO 9001:2015 (Quality Management)
- ISO 14001:2015 (Environmental Management)
- ISO 45001:2018 (Occupational Health & Safety)

❖ MARPOL Compliance

AFSS ensures strict adherence to the MARPOL convention, implementing best practices for pollution prevention, waste handling, and environmentally sound vessel operations.

❖ OCIMF-Aligned Operations

Our procedures align with OCIMF standards, particularly in tanker support and ship-to-ship (STS) transfer services—prioritizing safety, risk control, and operational efficiency.
